

Membership Renewal

June 2016

Dear New Partnership Board Members:

It is my pleasure to welcome you to the board of directors of the California Partnership for the San Joaquin Valley (Partnership). We thank Governor Brown, his staff and the Cabinet Secretaries for their role in getting these appointments finalized; full Valley representation is vitally important to the success of the Partnership.

Attached is a document that outlines the composition and status of the current Board. You will notice a number of positions pending appointment, several members serving under expired terms and members whose terms that will expire at the end of this year. Your participation is critical to the work of the Partnership and I'd like to take this opportunity to encourage anyone with an expired term who has not already done so to reapply online for your position as soon as possible.

The process is simple:

1. Complete the online application located at http://gov.ca.gov/s_appointmentsapplication.php.
2. When you have submitted your application online please let me know so we can encourage the process wherever possible. For members whose terms expire this year, I encourage you to reapply in September or October.
3. Be sure to click the "Submit Application" button to ensure that your application has been submitted.

You will see this note at the end of the application:

NOTE: If you are not taken to the next page after hitting "Submit Application" then your app has not been submitted and you will need to fix any errors in the app before trying again. Please DO NOT print out this page and mail/fax it into (the appointments) office as you cannot be considered for appointment until your app is successfully submitted online. Thank you.

As you know, the Partnership is an unprecedented effort to bring together public and private leaders and resources to address economic, environmental and social issues in the San Joaquin Valley and thanks to your participation and support we are seeing positive impacts.

Best regards,

A handwritten signature in black ink, appearing to read "Mike Dozier".

Mike Dozier
Lead Executive
